## BUSINESSES URGED TO BACK NEW PLAN

**PLANS** to revitalise Basingstoke's town centre by handing over power to local businesses will be discussed at a meeting taking place tomorrow evening.

Councillors and business owners will come together to consider the possibility of the creation of a Business Improvement District (BID) for the Top of Town.

If given the go-ahead, the proposal would see the businesses work together to independently organise and develop projects and events to regenerate the area's image.

Chairing the steering group for the project is local business owner Laurence Martin, who believes the idea could breathe new life into the town.

# Help sought over attack on woman

By Christian Wilson

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

**A BASINGSTOKE woman was targeted in two separate attacks in the space of an hour over the weekend.**

The 22-year-old victim was assaulted at two different locations in the Buckskin and Oakridge areas during the early hours of Sunday.

It is understood that the first attack took place just after midnight on Worting Road, between the roundabout and the Shell Garage in Buckskin.

She was then subjected to another physical assault by the same person at 1am inside a block of flats in Spindle Close, Oakridge.

The victim was hit in the face and pushed to the floor during the incident. She suffered head injuries which are not thought to be serious or life-threatening.

A man aged in his 20s, also

• The first attack took place on Worting Road, between the Shell Garage and the Worting Road roundabout (pictured)

from Basingstoke, was arrested on suspicion of assault causing actual bodily harm (ABH).

He has been bailed until August 25 pending further enquiries.

Members of the public are thought to have defended the woman at both locations, with police urging those who helped,

or witnessed the incident to come forward and help them.

PC Lee Bishop, of Basingstoke CID, said: "This was a particularly nasty assault on a woman over a prolonged period of time.

"Initial enquiries suggest several members of the public assisted the victim at the loca-

tions of both assaults. We would like to identify and speak with these people as they are potentially important witnesses."

Anyone with information is asked to contact PC Bishop at Basingstoke Police Station by calling 101, or Crimestoppers anonymously on 0800 555111.

## Bid to breathe new life into town centre

• From front page

He said: "I was born here and I really want to see the area flourish.

"Most of us who live here know Basingstoke is a great place to live, but people outside look down on us and that's not fair."

Mr Martin added: "The Top of Town is in desperate need of help and I believe that something like this could be exactly what it needs to improve its image."

The change would give residents a chance to choose how to best market Basingstoke, with any projects being decided on and funded by the town's business owners through a levy charge.

All the affected shopowners and businesses will get

the chance in November to vote on whether the scheme should be adopted, with Mr Martin, of Black Swan Training Solutions in New Road, urging them all to support the idea.

He added: "It's too much to expect people to visit from all over the country, but we should be attracting people from neighbouring areas. We all need to get

involved to show the world we're a great and thriving place."

Improvements to services and the local trading environment would run separately to funding provided by Basingstoke and Deane Borough Council.

Deputy leader Terri Reid said: "I think it is a fantastic idea and a very positive addition to the work the council is currently doing in

the Top of Town."

Cllr Reid said the idea behind the proposal was to 'animate and reinvigorate' the town centre as had happened during the recent Basingstoke Festival.

She added: "We have no say over the proposal, but if local business owners did decide that this is what they wanted, I would be very much in support of it."

#### Victim's funeral

**TADLEY:** The funeral of Tunisian terror attack victim David Thompson took place on Monday morning at St Paul's Church in Tadley.

The 80-year-old, of The Green, Tadley, was one of 30 Britons who were killed during the mass shooting while on holiday with partner Anne Kear.

An inquest on July 6 by a senior West London coroner found that Mr Thompson died from a gunshot wound to the chest.

A total of 38 people were murdered on a beach in Sousse on Friday, June 26, with former Atomic Weapons Establishment scientist Mr Thompson being the oldest victim.

#### Housing talks

**BASINGSTOKE AND DEANE:** Government planning inspector Mike Fox met with Basingstoke and Deane Borough Council members yesterday to discuss the area's housing blueprint.

The meeting came ahead of a series of public hearings and examinations that will determine whether the increase in the number of homes approved a year from 748 to 850 until 2029 as part of the council's local plan is sufficient.

The public hearings will begin on Tuesday, October 6, and run until Wednesday, November 11.

#### Court not at risk

**BASINGSTOKE:** Basingstoke Magistrates Court will remain open, it has been confirmed, after the government announced plans to close "surplus" courts nationwide.

On Thursday, the government's Courts and Tribunals Service launched a consultation on proposals to shut 19 courts across the south-east and a total of 91 nationwide.

Basingstoke Law Courts in London Road is not one of the courts at risk, although West Berkshire Magistrates Court in Newbury could face closure.

# Misadventure verdict in drug overdose case

A KINGSCLERE man who overdosed on a combination of drugs was not trying to kill himself, an inquest has concluded.

Alexander Reveron, 27, was found dead in a cabin in his parents' garden in Coppice Road on May 24, having taken excessive amounts of heroin and mephedrone.

Mr Reveron was a regular drug user and had been known to have had problems with depression since splitting up with his girlfriend a few months earlier.

While she acknowledged that he had been unhappy however, Mr Reveron's mother Karen told North East Hampshire coroner Andrew Bradley that there was no chance her son had committed suicide.

Mrs Reveron said: "He did talk about suicide and one time when he was worked up, he got a knife and said that he should stick it in himself."

"But he told me that the one thing that he would never do is kill himself and let me find him dead."

Mr Reveron locked himself in the cabin at the address following a night out with friends on Friday, May 22, with Mrs Reveron making several attempts to

By Christian Wilson

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

speak to him, with no answer, over the next two days.

His body was eventually discovered on the Sunday after his parents forcibly gained entry by smashing the windows of the cabin.

Mrs Reveron added: "If I'd gone in and checked on him sooner, it might have been different. I was standing just a few feet away and didn't think to do anything. How did I not know what was going on?"

Speaking at Monday's inquest at Basingstoke Law Courts in London Road, Mr Bradley confirmed that Mr Reveron's death had resulted from drug misadventure.

He said: "It's clear to me that Mr Reveron did not plan to kill himself."

"His death came about as a result of high methedrone toxicity in his body combined with a heroin overdose - not just one drug on its own."

"Misadventure is the clear verdict here, and I'll now leave you in peace to grieve with my sincerest condolences."

The inquest into the death of Alexander Reveron was held at Basingstoke Law Courts

### Crash inquest

POPHAM: The full inquest into the deaths of a mum and dad who died in a Popham plane crash will take place in December, North East Hampshire coroner Andrew Bradley has confirmed.

Lewis and Sally Tonkinson were killed after their light aircraft crashed into woodland on January 4. Their infant son was also seriously injured.

The case was due to be heard in September, but Mr Bradley revealed evidence was still being analysed.

### Summit meeting

BASINGSTOKE: Over 25 town-centre business owners attended a summit meeting to discuss the Basingstoke Town Centre Programme.

The traders were given the opportunity to ask questions and give their thoughts on plans set out for its third year.

### Death verdict

BASINGSTOKE: A 51-year-old Basingstoke woman who died after overdosing on methadone was not trying to kill herself, an inquest has found.

Loretta Annetts was found dead at her home in Elizabeth Road on May 1, having taken 20 times the recommended amount of the drug. Ms Annetts suffered from Chronic Obstructive Pulmonary Disease which coroner Andrew Bradley said contributed to her death.

Mr Bradley said: "I don't think for one moment that she intended to die - it's just an appalling accident."

## Inquiry launched into sex attack on girl

POLICE have confirmed that an investigation has been launched after a 13-year-old girl was sexually assaulted in a park in Basingstoke.

The unnamed teenager was assaulted earlier this month while walking through Eastrop Park in Eastrop Lane on July 5.

She subsequently reported the incident to officers on Friday, with specialist officers now working closely with the victim and her family to provide support and to establish more details about what happened in the incident.

A description of the attacker has not yet been released.

House-to-house enquiries are being carried out throughout the local community in a bid to encourage any potential witnesses to come forward.

Officers also stopped members of the public using the eastern end of the park - where the attack took place - on Sunday to see if they had seen anything suspicious.

In a statement, Hampshire Constabulary said: "Hampshire Constabulary takes all reports of this nature very seriously and our focus

remains on doing everything we can to ensure that victims of sexual assault have every confidence in us, and that we respond in the most effective way to these crimes.

"Specialist officers have been working closely with the victim to establish more details about the incident and support her welfare at this difficult time."

"Initial enquiries suggest that there is no wider risk to the public."

Anyone with information is asked to contact police on 101, or to call Crimestoppers anonymously on 0800 555111.

## Children's services hit by cash cut

FUNDING to help children and young people in difficulty in Hampshire has been cut by over 50 per cent in the last five years, a study has revealed.

An investigation by The Children's Society and the National Children's Bureau (NCB) showed a fall in early intervention spending from £53.6million to £26.1m since 2010.

Government cuts have resulted in a drop in the amount spent by Hampshire County Council on early-help services across welfare, social care and children's services.

Deputy leader Keith Mans was quick to play down the figures however.

The lead member for children's services said: "I don't believe that these figures fully take into account all the resources that go into projects like the Troubled Families Programme.

"What is important is the outcome of the services rather than details of expenditure."

Cuts have seen money spent on children's services across the South East region drop from £407m to £193m since 2010.

NCB chief executive Anna Feuchtwang said: "Before making more cuts that cost, the government needs to think again.

"It should work with councils to gain a better understanding of how services have been reconfigured and commit to fund early-intervention provision that makes a dramatic difference to children's lives."

# Driver jailed after A34 fatal U-turn

A LORRY driver that caused a fatal accident while making a dangerous U-turn across an unlit dual carriageway near Whitechurch has been jailed for five years.

HGV driver Piotr Janowski, of Poland, was found guilty of caus-

ing the death of 53-year-old Simon Shore after making the manoeuvre on the A34 northbound carriageway near the Tufton crossroads earlier this year.

Winchester Crown Court heard how Janowski, 49, "effectively parked across both northbound lanes" while trying to turn around his vehicle at 5.45pm on January 24 at an unlit stretch of the major road.

A Vauxhall Zafira then came over the brow of the hill before he could complete the move and was unable to

avoid a high-speed head on collision with the side of the trailer.

Front seat passenger Mr Shore, of Swindon, was pronounced dead at the scene, while a 40-year-old male driver, and two rear seat passengers – a 13-year-old girl and 38-year-old man – were all left with serious injuries.

Following the crash, Janowski was arrested by Hampshire Constabulary officers and charged with causing death by dangerous driving.

Janowski pleaded not guilty to the charge in court but was sentenced to five years in prison by Judge Keith Cutler at the conclusion of the trial last Thursday.

After the verdict, investigating officer PC Katherine Carr said: "My thoughts go out to Mr Shore's family and friends following this collision.

"It could so easily have been avoided if Mr Janowski had not carried out such a dangerous manoeuvre.

"That more people were not seriously injured is the only consolation to come from this case."

She continued: "We welcome that the sentence handed down by the court reflects the effect this collision has had on Mr Shore's family and friends."

## Man dies in A303 crash on Sunday

A MAN has died after a car collided with a lorry on the A303 at Sutton Scotney on Sunday afternoon.

The victim, who has not yet been identified, was sitting in the passenger seat of the vehicle when it crashed into a truck parked in a lay-by west of the Bullingdon Cross interchange.

Police were called to the westbound carriageway at 4.56pm and the man was pronounced dead at the scene.

Officers are in the process of informing his family.

A woman, who was driving the vehicle, is believed to still be in hospital receiving treatment for critical injuries.

The driver of the lorry involved suffered minor injuries and was taken to hospital as a precaution.

A section of the A303 was closed for several hours to allow for a police examination of the collision scene.

Anyone that witnessed the incident, or has any information to help officers with their enquiries, is asked to contact Sgt Darren Brown at Whitchurch Police Station by calling 101 and quoting Operation Sistene.

Information can also be given to the police anonymously by phoning the confidential Crimestoppers line on 0800 555111.

# Plans to revamp Plaza revealed

DETAILED designs have been released showing how a £15million redevelopment of Churchill Plaza in the centre of Basingstoke would look.

Improvements to the glass towers would see the reception double in height and a complete overhaul of the building's electrical systems take place.

Changes proposed by architects Jones Hargreaves would also see the interior of the landmark offices modernised and refurbishments to the lifts and heating.

Project manager Peter Hargreaves said: "Jones Hargreaves is delighted to be involved with the redevelopment of this iconic building in the heart of Basingstoke."

"Our proposals seek to improve public realm and connectivity with the town centre and new John Lewis development."

"The new reception improves the arrival experience and responds to the strong building geometry, creating a modern office environment attracting top corporate tenants."

A planning application is expected to be submitted in the next few months by Tosca Fund, which purchased the landmark building in Basing View last August.

If approved, work is expected to start early next year on the

offices, which are currently occupied by Barclays.

The site sits directly next to the upcoming John Lewis at Home and Waitrose Basingstoke store, with Basingstoke and Deane Borough Council welcoming the added investment spent on the area.

Cllr John Izett, cabinet member for finance and resources, said: "Churchill Plaza is a landmark office building and it is very encouraging that the message about how good the business opportunities increasingly are in Basingstoke is being recognised by major investors."

"As a council, we very much welcome this significant investment into the borough."

"This investment is also good news for Basing View and our town-centre retailers."

He added: "We welcome the new owners of Churchill Plaza to Basingstoke and look forward to working with them."

# Green light given to banger racing

By Christian Wilson

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

**BANGER racing will take place from Aldermaston Raceway near Tadley for the first time since November from next month.**

The popular motorsport event was given the green light to return to the track last Wednesday after West Berkshire Council accepted a new planning application for the event.

Races have taken place at the site in Paices Hill for over 20 years, but the council was forced to postpone the events – pending an updated application – due to the track being classified as abandoned.

Race promoter Gwen Roberts and her family have owned the racetrack since 2007 and she admitted to being "immensely relieved" at the council's decision.

"Everybody is absolutely delighted that they've got their race track back and have been bombarding us with 'when's the first race meeting', this, that and the other," she said.

"It was fantastic to see the support we had at the meeting, people took time out of their day

• Organisers are expecting to host races at Aldermaston Raceway from next month (Picture courtesy of Fleet Motor Club's Facebook page)

because this is their home track, so I was quite astounded to see the support we had there.

"We're all immensely relieved now it's done and dusted."

The application has drawn mixed views from members of the public, with some residents objecting because of fears over noise.

A total of 14 days of racing was

authorised to take place at the track over the next 12 months, compared to the 21 events hosted last year – something Mrs Roberts labelled "harsh".

She added: "The concern has been noise, although in recent years, there have been no formal complaints received regarding noise issues from this site."

"To be honest, my personal

feeling is that now we do have planning consent, it's probably going to urge local residents to actually make the complaints formally.

"We've got quite a few things we've got to put in place, but I'm hoping with the help of the council we can get this all done, and be up and running for the race meeting on August 16."

## Man arrested after assault

A 22-YEAR-OLD man has been arrested following an assault on a woman outside a Subway shop in Basingstoke.

The 47-year-old victim suffered facial injuries during the attack on Friday night after being punched in the left side of her head.

It is understood that the incident took place after the woman became involved in a verbal altercation with the man that then escalated as she was walking past the Subway near to The Winkle Public House in Watson Way.

The unnamed arrested man has been bailed until August 29, pending further police enquiries.

Several members of the public rushed to the woman's aid during the assault after the offender's voice alerted them to the situation.

Police are now appealing to anyone who assisted the woman or was in the area between 9.30pm and 9.50pm to come forward to help them with the investigation.

PC Karen Walsh, from the Northern Investigation Team, said: "This was an unprovoked attack which left the victim with injuries to her face."

"Several members of the public were believed to have witnessed the assault and came to the aid of the victim."

"Were you one of these men? Did you witness the incident?"

Anyone with any information is asked to contact PC Walsh on 101 quoting 44150246134.

# Discussions begin over music festival's future

By Christian Wilson

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

**COUNCILLORS** have admitted that Basingstoke Live's status as a free music festival could soon be at risk.

Discussions with selected members of the public have begun to decide the future of the annual event, which attracted over 30,000 people earlier this month.

The two-day concert is currently organised and funded by Basingstoke and Deane Borough Council, although that could be subject to change depending on the findings of the soft market testing currently being conducted.

Controversial plans for Basingstoke Live to be privatised and become a paid-for festival were narrowly rejected by the council last year, although councillor John Izett - who put forward the recommendation - claimed that research suggested that the public would be open to the move.

The cabinet member for finance and resources said: "It is the right thing now to see if the council is still

best placed to run it, or if there is anyone better.

"We have an absolute total commitment to Basingstoke Live, but that doesn't all impinge on whether it's free or not.

"A funded festival is a possibility because research so far has shown lots of residents would be open to making a financial contribution."

The target market research will take place throughout the summer, with the borough council set to consider all responses before making a final decision on how best to move forward with the programme.

Mungo Jerry and The Qemists were among the star acts that performed on July 11 and 12, as the curtain was brought down on the Basingstoke Festival for another year.

The council's portfolio holder for communities, service delivery and improvement, Robert Tate, warned that any plans to charge would have to be matched by improvements so as to not reduce its popularity.

He said: "As far as ticketing is concerned, the numbers would probably drop dramatically if it wasn't free.

"Our job is to keep improving the

event as a spectacle."

Cllr Tate added: "If we were to start charging people and do nothing to make it better, I would be extremely worried."

Over 30,000 people were attracted to Basingstoke Live this year at Memorial Park

## News Bites

### Start reading!

**BASINGSTOKE:** MP Maria Miller has called on parents across Basingstoke to encourage their children to take part in this year's summer reading challenge.

The challenge is a partnership campaign from both The Reading Agency and public libraries across the UK.

Mrs Miller said: "I hope we can show local libraries what a valuable asset they are."

### Activities month

**BASINGSTOKE:** A month of activities organised by Basingstoke-based housing association Sentinel will begin from next Monday.

Drumming, arts and crafts, dance, football skills and teepee building will take place throughout the summer on the new green space obtained by the association at the end of Spindle Close in Oakridge.

The Broadening Horizons programme will run until Friday, August 28 at the site, which is part of Sentinel's New Horizons development in the area.

### MOT service

**BASINGSTOKE:** An innovative MOT service that allows customers to get their cars checked while they go about their day has started at Festival Place shopping centre.

Believed to be the first of its kind in the UK, customers drop their cars at the shopping centre's car park before staff from 'MOT while you SHOP' take the keys, test it and return it within 90 minutes.

All testing is done at the Revolution Vehicles Ltd premises in Bell Road, Daneshill, less than two miles away from the centre.

## Statistics show unemployment continues to fall in Basingstoke

**THE** unemployment rate in Basingstoke has dropped by over 21 per cent in the last month, new figures have revealed.

A total of 671 people from across the area were registered as unemployed and claiming Jobseekers Allowance at the end of June.

This is compared to 855 registered in May.

These findings revealed 115 of the claimants were aged between 18 and 24 - a drop of 30 from the previous month.

The figures, released by the Office for National Statistics, also showed 284 fewer people were out of work in comparison to June 2014.

One of the reasons for the change has been the work of Job Centre Plus in the area, who voiced their pleasure over the improvement.

North Hampshire operations manager Josephine Lynch said: "What's been important is how we have worked with employers to help more people get onto the employment ladder."

Ms Lynch also predicted a continued drop in unemployment - pointing to the 350 new jobs being created by the upcoming John Lewis at home and Waitrose Basingstoke store in Basing View as an example of progress in the area.

She added: "Basingstoke is very buoyant at the moment so we fully expect the rise in employment to carry on."

## Students flex creative muscles

PUPILS from four Basingstoke and Deane schools pitted their creative and engineering skills against each other during a science challenge.

About 30 students were tasked with completely overhauling classic village fete games and reinventing them into something new under the keen eye of the celebrity judge, Brainiac presenter Jon Tickle.

A new app and an electronic dance mat were among the ideas made into reality by teams from hosts Brighton Hill Community School plus Aldworth School, The Hurst Community College and Testbourne School at the 2015 STEM Challenge on July 9.

Brighton Hill science teacher Claire Jones said: "It was a great day and the students enjoyed being invited to the event and being able to try out each activity."

"We received comments such as 'Science is really cool' and 'Next year I am making an entry'."

A team from The Kings School in Winchester was crowned the winner of the competition.

# 'Honoured' Jeanne wins special award

By Christian Wilson

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

'COMPASSIONATE', 'respectful' and 'a tower of strength' were just a few of the words used to describe a Lychpit nurse as she was honoured at a special ceremony.

Jeanne Prosser was one of eight individuals singled out for exceptional dedication and commitment to the industry at the Director of Nursing Awards last week.

The clinical nurse specialist was presented with the 10th Anniversary Award at the Hampshire Hospitals NHS Foundation Trust (HHFT) evening after being nominated by former patients.

And while she was quick to play down her importance, the Basingstoke and North Hampshire Hospital worker admitted to feeling "totally honoured" by the praise sent her way.

Jeanne said: "It is a really tough job, but things like this just make it all worth it."

"I'm still getting over the shock to be honest and to read such nice things is amazing and has made me feel very humble."

"Just to be nominated was fab-

ulous, so I'm totally honoured to win."

Having originally started her career as a midwife in 1975, the inflammatory bowel disease and hepatitis specialist started working at the Aldermaston Road hospital 28 years ago.

"I love my job - if I didn't have that same passion, I would've retired by now," Jeanne added.

"It really was a lovely surprise and to get it on my ruby anniver-

sary in the profession as well was just the icing on the cake."

Basingstoke's healthcare assistant Isabel Ball and sister Pauline Bawden, from the Early Pregnancy Assessment Unit, also received awards at the presentation after they were nominated by members of the public.

Staff's achievements at other HHFT hospitals - the Andover War Memorial Hospital and

Royal Hampshire County Hospital in Winchester - were also highlighted at the event on Monday, July 13.

HHFT chief nurse Donna Green said: "Our nurses, midwives and therapists do an amazing job and I'm really proud of them."

"This evening is about celebrating our staff and the wonderful things they do to support our patients."

**SUMMER** Holidays are a great time of the year when families can spend time together and create memories. But days out with the family can be expensive and stressful if you're having to travel and pay high entry prices.

Luckily, there are lots of local places you can go, you just have to be in the know! Basingstoke Aquadrome, your local leisure centre, is a great destination for a fun-filled family day out. They have a Lagoon Pool and 'Lazy River'

for the little ones and the Wave Rave Pool Party every Friday evening in the 20 metre pool. There's also a giant inflatable, Water Walkerz and Stepping Stones available for those that enjoy a splash about. For the more adventurous,

For those that want to increase confidence in the water or enhance their swimming skills, the Aquadrome is running crash course swimming lessons

**Galleon Marine**

*The place to have fun on the water!*

Some people are unaware that the beautiful Basingstoke Canal runs through Odiham, not more than 1/2km from the high street!

Many local people are involved in the preservation of the canal to ensure it remains a great place to visit.

Galleon Marine, which is under new ownership, is a perfect base from which to explore by narrowboat, rowboat, kayak, canoe or foot. Please feel free to come and look around, have a picnic in our colourful garden and enjoy the view. We are opposite the Waterwitch Pub

Tea and coffee now available from our canal-side kiosk.

We look forward to meeting you.

# Puzzles

## Sudoku

The objective is to fill a 9×9 grid with digits so that each column, each row, and each of the nine 3×3 sub-grids that compose the grid (also called “boxes”, “blocks”, “regions”, or “sub-squares”) contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

# UK WATER SOFTENERS

Established 20 years

Hard water is something we are all used to in Hampshire, although most of us have got used to putting up with it, many do not realise that you can do something about it. It furs up our heating systems, causing breakdowns, makes it more expensive to heat our homes and damages our appliances. The other problem with limescale is the constant cleaning of showerheads, shower screens, stainless steel sinks, the whole house can suffer where hard water is concerned. Limescale aggravates skin problems such as eczema and psoriasis. With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale related products, cut washing powder use by up to 75% and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt. The

TwinTec S3 is different. It is small, requires no electricity and uses block salt (like two house bricks) instead of heavy 25kg bags. Harvey Softeners has been manufacturing softeners in this area for more than 35 years. Kevin Goody (UK Water Softeners) is one of Harveys top TwinTec dealers and was voted number two in the country last year.

### Why is Kevin so successful?

He puts it down to extensive marketing, having a great plumber with over 30 years of experience installing water softeners, good customer satisfaction and recommendations. Kevin has installed 4800 water softeners in homes in this area over the last twenty years and arranges everything from initial survey to installation. Kevin Goody also welcomes trade enquiries. We also service & repair Kinetico Water Softeners.

## Les Mis set for town

By James Richings

jamesr@taylornewspapers.co.uk

"I LOVE being able to work with the next generation of young actors and actresses."

"They are so imaginative and creative and often bring things to the table that you may never have expected or thought of yourself."

This is what director and producer Sinead Gibson said as the UK's largest musical theatre company, RARE Productions, prepared to head to Basingstoke to perform *Les Misérables* at The Haymarket from Thursday, July 30 to Saturday, August 1.

Written by Victor Hugo in 1862, the famous novel focuses on the people's struggle against adversity in 19th-century France.

When petty thief Jean Valjean is released from his jail term after he stole a loaf of bread, he becomes the mayor of a prosperous town and loving adoptive father, but violates his parole in the process.

The novel then introduces Inspector Javert, whose pursuit of the for-

mer convict spans many difficult years across a turbulent France.

"Our casts are made up of young people aged eight to 21, but for *Les Misérables* the age range is younger at eight- to 19-years-old," Sinead revealed.

She added: "Nerves will always play a part and aren't always a bad thing so we try and turn those nerves

into excitement. We always want to make the whole experience is fun and enjoyable as possible and so if our cast members enjoy performing the songs, then they will be raring to get on stage."

Despite the story becoming one of the greatest novels of the 19th century, the stage version of Hugo's famous work did not hit theatres until 1980,

- 95 years after the French author's death.

However, despite waiting nearly a century for *Les Misérables* to become a stage production, the French musical has dominated theatres across the world for the last 35 years, with the production being nominated for 60 different awards in that time.

Sinead said: "I love being able to work with the next generation of young actors and actresses."

"They are so imaginative and creative and often bring things to the table that you may never have expected or thought of yourself."

"Every cast member is different, so there is never a dull moment and it's lovely to see them grow in confidence."

Sinead added: "*Les Misérables* was the first RARE show I performed in so it will always hold a special place in my heart."

"And I consider myself very lucky to now be able to direct it."

Tickets for the Wote Street show cost from £14 to £16.

### A hero's story

THE Tadley Community Centre will show last year's blockbuster 'Big Hero 6' on Wednesday, July 29.

Set in the city of San Fransokyo, robotic prodigy Hiro and his invention Baymax, along with a few friends, try to save their town from the evil villain, Professor Robert Callaghan.

Tickets cost £1.50, with the movie starting at 2pm.

### Blues on tap

A FIVE-PIECE blues band will be at Alton's King's Head pub this Friday.

Bitter Blues, who will perform a variety of covers from the likes of Jimi Hendrix, ZZ Top, Lynyrd Skynyrd and The Black Crowes, are performing at a number of venues across Hampshire over the next few months.

This is a free event at the Market Street pub which starts at 9pm.

### Learn to write

THE second week of a six-week comedy/monologue-writing workshop is being held in Basingstoke today.

Aspiring comedy writers will learn everything they need to know from writer Angela Street.

## 25 years of Twinkling Stars

ACTORS and actresses from all ages are teaming up to perform 'Twenty Five Years of Twinkling Stars' to celebrate the 25th anniversary of The Chandelle Stage School at The Haymarket on Sunday.

With all of the proceeds going to the Hope for Jayden Charity in Basingstoke, audience members who visit the Wote Street venue can expect a show with huge variety, which will include a mix of dance, comedy and singing acts.

"All monies raised from all my shows

usually go to help young people in the area who suffer from cystic fibrosis, and this came about as my god daughter has this condition," teacher and organiser Sharon Waite-Roberts told the Observer.

Sharon added: "She has performed in every show since she was 18 months

old and she is now 19.

"Our 25th Anniversary show staged at The Haymarket in April was for this cause and after the performance, all the young people taking part expressed regret that it was over and all the hard work was for only one show.

"But after discussion we decided that it would be good to repeat the show, and as 'Help from Jayden' was such a good, worthwhile and local charity raising money for Naomi House, we decided that it would be a super idea

to try and help others who are facing life threatening illnesses as he did with such bravery."

As well as running The Chandelle Stage School for the last quarter of a century, Sharon's quality and gift of dealing with people from all different backgrounds shows, as the organiser also works as a teacher.

Sharon is currently the head of science at The Grey House School in Hartley Wintney where she also teaches RE, PSHE and Speech and Drama, and has been at the school since 1996.

And the former head of biology and a member of the college counselling team at the Basingstoke College of Technology believes anyone that joins the Chandelle Stage School will have a whale of a time come performance day.

"I love the fact that people who only have one hour tuition a week have the opportunity to perform on a professional stage at such a super theatre as The Haymarket," she said.

"And what I hope comes across is the sense that everyone is valued, important and is working together as a team. We really are like a big family and I hope that is apparent."

The show starts at 6pm, with tickets costing from £9.50 to £14.50

## Advanced Digital Imaging

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

\*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

\*Statistics obtained from The International Glaucoma Association.

### What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?  
Do you have a family history of Glaucoma?  
Are you short sighted?  
Do you have diabetes?  
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.\*

### Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

**Your eyes deserve the benefits of cutting edge technology available at this practice.**

## Model fights off challenge from Audi and Volkswagen Citroen C4 Cactus takes top honour

THE Citroen C4 Cactus has taken top honours at the Motor Trader Awards 2015 held at London's Grosvenor House Hotel on July 8.

It was named as 'New Car of the Year' after being described by judges as "a welcome move for customers and dealers alike, especially in a market sector which demands differentiation".

Created by British designer Mark Lloyd, the model fought off competition from across the industry, including the latest generation Audi TT and the Volkswagen Passat to pick up the top honour.

The judging panel, made up of leading automotive journalists, said: "Citroen's C4 Cactus has provided dealers with a car they can make a noise about. "With its delivery of fun, functional-

ity and low running costs, it is attracting new buyers to the brand making it a worthy winner of Motor Trader's New Car of the Year award."

The award-winning model was first launched in September last year.

Curtis Hutchinson, editor of Motor Trader, said: "The C4 Cactus has a winning formula of excellent ride and handling, low running costs and versatile interior dimensions, combined with adventurous styling.

"It's the perfect package and it's great to see a British designer helping spearhead automotive design."

Chris Cheetham, Citroen UK's marketing director, said: "By focusing on intelligent technologies and innovative design, we've been able to create a car that not only meets our customers' expectations, but also exceeds them.

"The C4 Cactus represents the future design direction of Citroen, so it's an extremely exciting time for our dealer network and everyone working for the brand."

The C4 Cactus is available from £12,990 and comes with the latest 'useful' technologies and efficient range of Euro 6 engines.

## End of the road for your vehicle?

Responsible drivers scrap their vehicles at an  
Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.

That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. [www.direct.gov.uk/motoring](http://www.direct.gov.uk/motoring)

# Town almost upset League 2 Wimbledon

A LATE flurry of goals ensured that Basingstoke Town opened their pre-season campaign with a 3-1 defeat against AFC Wimbledon last Tuesday night.

The Dragons more than held their own in the tie as a Chris Flood header moments into the second half gave them a 1-0 lead over the League Two side at the Soccer AM Stadium.

But the introduction of Dons striker Lyle Taylor from the bench on the hour mark proved to be the difference as he pounced three times to seal a quick-fire hat-trick.

After impressing in a 2-2 draw with Premier League side Watford a few days earlier, Wimbledon came flying out of the blocks, with striker Adebayo Azeem sliding wide after being played clean through inside two minutes.

And the forward then saw a chipped effort expertly turned away by new keeper Aaron Howe on 17 minutes.

With chances for Town at a premium, last season's top scorer Flood managed to craft a chance for himself on the half hour mark as his scissor kick from the penalty spot narrowly

cleared the bar.

Big striker Adebayo Akinfenwa should've put the visitor's ahead with the last kick of the first half as he powered a header inches over when well placed.

But it was Basingstoke who struck first after the break as Flood planted a header into the net from a Louie Soares corner just seconds after the whistle.

Akinfenwa then immediately rattled a post from an offside position in a much more open second half, before Taylor narrowly stroked the ball wide from a corner routine straight off the training ground on 62 minutes.

Striker Liam Enver-Marum then missed a great chance to make it 2-0 on 76 minutes as he poked the ball just wide when played clean through.

It was to be a costly miss as just a minute later Taylor bundled in from close range, before then calmly firing into Howe's far corner on 85 minutes following a mistake by summer signing Will Salmon to put the

visitors 2-1 up.

And the forward claimed his third 60 seconds later as he tapped home from six yards to wrap up the victory.

Basingstoke quickly bounced back from the defeat four days later however, as a superb performance from youngster George Hallahan helped inspire a 3-2 win over Reading under-21s.

The striker scored twice and set up another after coming off the bench with the score at 2-0 to the visitors following a brace from Noor Husin.

Hallahan immediately played in Enver-Marum to net, before the youngster levelled the score by rifling an effort into the corner from the edge of the box.

And he collected his second soon after to seal the comeback after calmly finding the net when played one on one with the Reading keeper.

Town continued their pre-season schedule with a trip to Fleet Town last night as the Observer went to press.

## Duo just miss out on tons in victory

**BIG hitters Mitch Stokes and Craig Williamson both came agonisingly close to a century as Basingstoke and North Hants dominated Totton and Eling to win by 134 runs.**

The Bountymen's effectiveness with the bat has been questioned more than once this season as the bowlers have regularly been relied upon to pave the way for victory.

Regular opener Williamson has come in for a fair bit of criticism, with a total of just four runs from his last two matches at the top of the order seeing him drop to fifth at the Southern Gardens on Saturday.

But the batsman responded in perfect fashion to the change against Totton as he hit 14 boundaries on his way to a fine 94-run innings.

Star man Stokes was once again instrumental as he attacked the home side's bowlers at every opportunity - hitting four sixes on his way to 99 from just 62 deliveries.

Chasing a single run to reach triple figures, Stokes was bitterly disappointed to miss out on a century, but not as much as captain Chris Froud, who capped another poor individual batting display by putting on just four.

Christopher Oliver and Martyn James (both 32) also contributed useful knocks to see Basingstoke to 306-7 after 50 overs.

It was always going to be tough for Tot-

ton to chase down such a large tally, and so it proved after Chris Chandler (2-33) and Rakitha Perera (2-24) both struck to remove openers Tom Arnold (17) and Azeem Hamid (36).

With the home side struggling on 109-5, the Bountymen then introduced Mathew Thankachan to the attack, with the spinner responding by taking four wickets for a loss of 35 runs to leave Totton all out for 172.

The win saw Basingstoke remain in third spot in the Southern League Division One table ahead of their home clash with Rowledge on Saturday.

## Sport Bites

### Bristow upbeat

**FOOTBALL:** Basingstoke Town manager Jason Bristow has praised his players after two strong performances kick-started their pre-season campaign.

The National League South side warmed up for the opening game of the season last week with a 3-1 defeat to AFC Wimbledon and a 3-2 victory over Reading under-21s at the Soccer AM Stadium.

And Bristow has claimed that his side are "right on track" to hitting the heights expected following last year's play-off campaign starting from the tie with Ebbsfleet United on August 8.

He said: "We've played some really good stuff with and without the ball so far.

"Results aren't important right now, it's about getting minutes in the tank."

"It's been a great workout for the lads and we've got a few games before the start of the season, but we're on track."

### Mixed results

**CRICKET:** Southern League Division One rivals Hook and Newnham Basics and Hartley Wintney picked up contrasting results on Saturday.

An 88 run slog by Matt Buckingham, combined with bowling figures of 4-35 from Spencer Champ helped highflying Hook to a three-wicket win over Calmore Sports.

Hartley lost by 18 runs at home to Bournemouth, despite a stellar showing with bat and ball from Chris Jolley, who finished with 4-46 and hit 44 runs.

### Bison signing

**ICE HOCKEY:** Basingstoke Bison added young forward Ralf Circenis to their roster for the coming season last week.

Circenis joins the Bison from National Ice Hockey League side Solent Devils, where he scored 16 goals and collected 27 points from his 28 games on the ice last season.

# HEAVY RAIN CAN'T STOP ROSE FROM BLOOMING

JUSTIN Rose picked up his best ever finish as a professional at The Open Championship on Monday as he battled the conditions to finish tied for sixth place.

The North Hampshire golfer recovered from a slow start at St Andrews to join the chasing pack and finish four shots behind leading trio Zach Johnson, Marc Leishman and Louis Oosthuizen.

Johnson eventually came out on top in a four-hole play-off late on Monday after torrential rain and heavy winds ensured long delays on Saturday.

Rose's opening two rounds saw him tee off during some of the worst weather spells, but the former Robert May's School pupil battled the conditions to remain in contention for much

of the contest.

Having failed to defend his Scottish Open title a week earlier in East Lothian, the 34-year-old started well at a wet St Andrews – picking up birdies at holes 1, 4, 5 and 7.

Things didn't go so well on the back nine however, as dropped shots at 13, 16 and 18 saw him finish Thursday six shots off the pace on one-under-par for the opening round.

The course was partially flooded at the start of day two, but the delay seemed to fire up Rose as he shot a superb four-under-par round of 68 to reel in the leading pack.

Rose twice hit three consecutive birdies at 3, 4 and 5, and then 13, 14 and 15 to leave him on five under.

With Saturday a complete washout, the Englishman had to wait until Sunday to tee off again.

But he managed to carry on his momentum from two days earlier to close within three shots of the lead.

Rose hit birdies at 3, 5, 10, 12 and 18 while dropping just one shot on his way to another four under par round to leave him well in contention for his second major victory.

The 2013 US Open winner was unable to challenge in the end however, despite only dropping a single shot again – instead carding a final round of 70 to finish on 11 under par.
